
The Green Plate Special is a logo to be used on a restaurant's menu to show their efforts to use locally sourced ingredients.

What's in a Green Plate Special?

This logo can be used next to menu items that meet the following criteria:

- at least half of a menu item's main ingredients must be locally sourced within 300 miles;
- a description of the dish must include the source(s) of the ingredients.

The Green Plate Special logo can be downloaded and more information on Sustainable Annapolis can be found at www.SustainableAnnapolis.com
