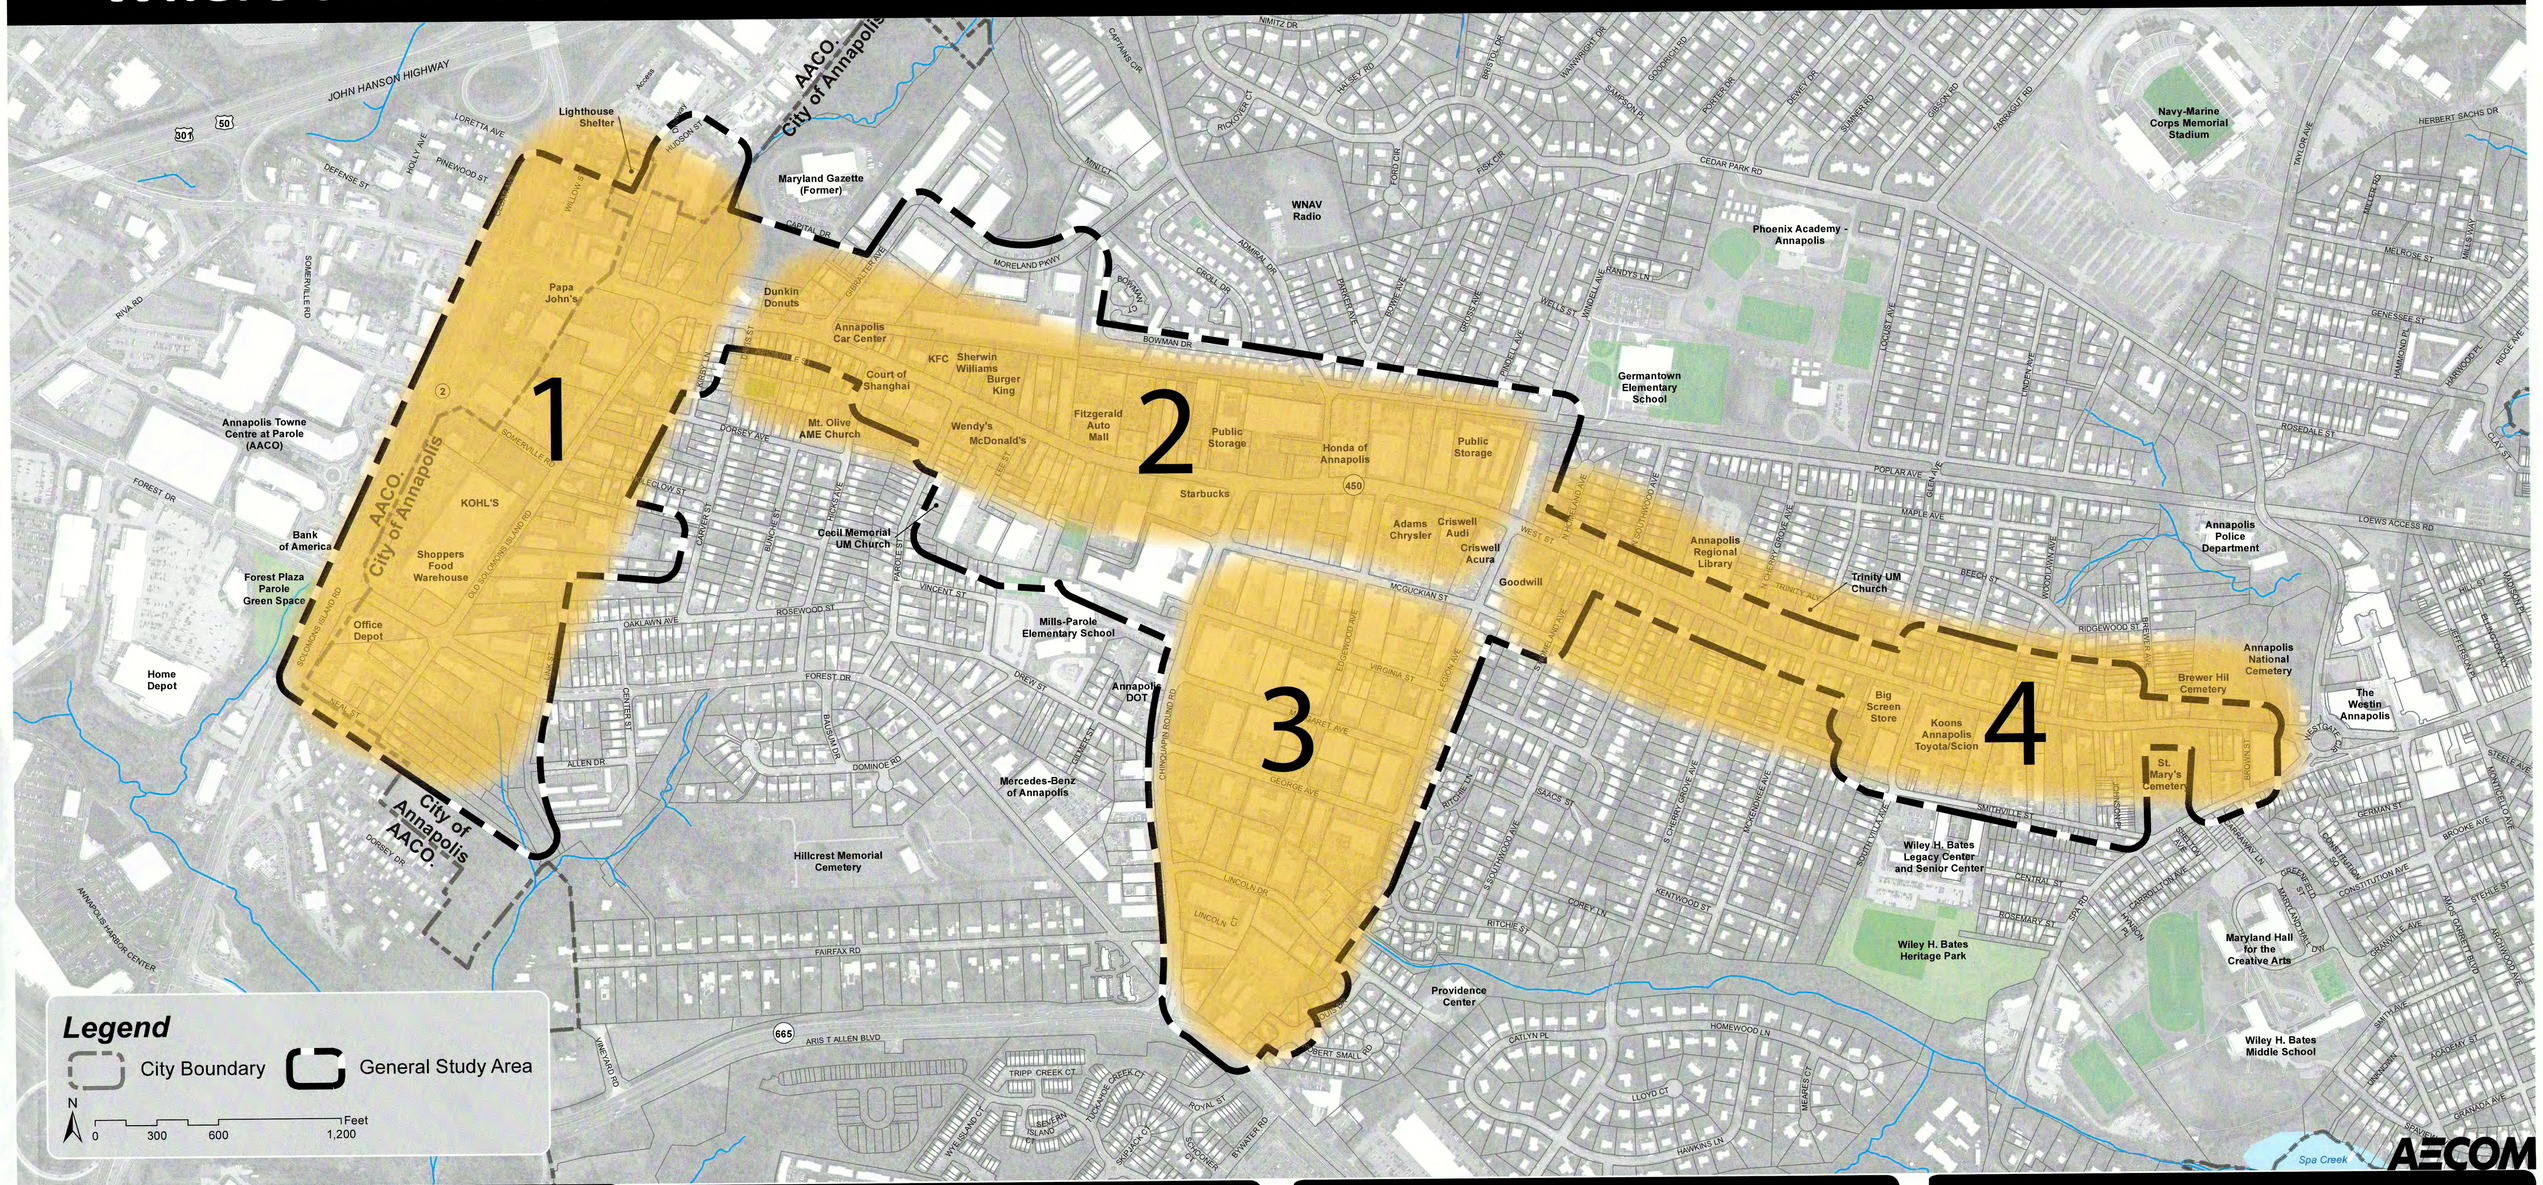
COMMUNITY
Where should these activities be considered?



Zone 1

Would like to walk + bike safely from Solomon's Island Road to Westgate Circle

bike or walk safely to all/all destinations all zones

- bike + walk safely
- shop
- community events

Zone 2

Sit at park - green space around Chinquapin Round Road.

Could be Farmer's Market there.

fix zoning to match master plan, look more like inner West Street all zones

In East Good, strip shopping area, make all entries on main street like Hinkle or Hicks and make these entrances from side with connecting back parking

Eat outdoors

- bike on West St all of zone 2

Garden for community

1. RELOCATE ALL THE UTILITIES UNDERGROUND
2. WIDEN SIDEWALKS BY CHANGING SAVES ST. TO 2 LANES WITH CENTER TURN LANE

Zone 3

Revamp area to include park, Farmers Market, design steps and companies that looks cohesive. No more trucks blocking streets

Eat outdoors

- interact with AKF
- hack
- visit museum

Farmer's Market

Zone 4

To reduce curb cuts on small parcels, enter from side road and build small two-lane road and these retail/office and residential properties that had individual parking lots.

In renovation of new Annapolis Regional Library, include place for park with trees, benches, small playground.

Would like to walk and bike from Solomon's Island Road to Church Circle. Need bike paths on both sides of road and wide sidewalks for shelters wheelchairs, adults strollers.

- eat out drives
- shop
- need a bike on West St

Allow Accessory dwellings in all areas

need a nice neighborhood park
