

Smoke Detectors for Your Home

Annapolis, MD (01-12-11) – The Annapolis Fire Department wants everyone to keep your family safe throughout the year.

Fire Chief David Stokes would like all citizens to be aware of the department's FREE SMOKE DETECTOR program. Annapolis Professional Firefighter's Local 1926, public support from citizens and local organizations, such as the Annapolis Lion Club have made it possible for the Annapolis Fire Department to provide this program.

In an effort to make sure that our citizens are protected in the event of a fire, we will provide you with a **free smoke detector** if you are a resident of the City of Annapolis. If you are in need of a detector, please fill out the attached form and return it to the Annapolis office.

Once we receive your application, you will receive a phone call from the Annapolis Fire Department.

If you have any further questions you can contact the Annapolis Fire Department office at 410-263-7975 or send an email to AFDInfo@annapolis.gov.
