PUBLIC NOTICE

PROPOSED SUBSTANTIAL AMENDMENT TO THE FISCAL YEAR (FY) 2011 HOUSING AND COMMUNITY DEVELOPMENT ACTION PLAN OF THE CITY OF ANNAPOLIS, MARYLAND

The City of Annapolis is amending its FY 2011 Action Plan by allocating \$72,148 in Community Development Block Grant (CDBG) funds from program income to defray the cost of replacing 17 windows at the Stanton Community Center. By federal statute, the City is allowed to use its CDBG funds for recreational facilities. This change in use of these funds requires a substantial amendment to the City's FY 2011 Housing and Community Development Action Plan. This Plan governs the City's use of its federal community development and housing funds.

The amendment to the FY 2011 Action Plan is available for review and comment by the public from April 11, 2011 to May 11, 2011 at the Community Development Office (third floor), Planning and Zoning Department, 145 Gorman Street, Annapolis, MD 21401 and on the City's web site <http://annapolis.gov>. Copies of the Amendment will be made available in a form accessible to persons with disabilities upon request. Information on these programs is advertised through the Radio Reading Service of Maryland. Should a large print copy of this public notice be required, please call the Community Development Division at the above number. Hearing impaired persons should call 711 Maryland Relay should they wish to call the above offices.
