

# GONE TO MARKET LLC.

A REVITALIZED MARKET WITH A STRONG TRADITION.

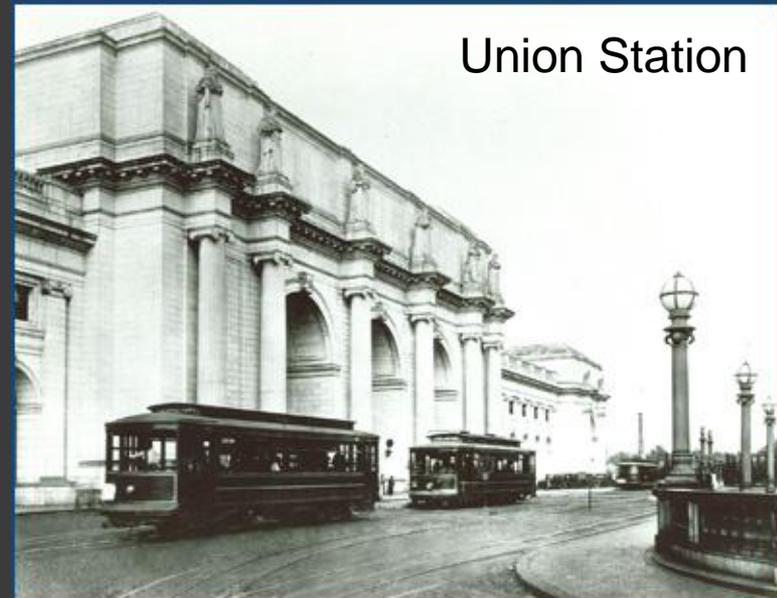

## Issues hindering the Market House, “What we’ve heard and found”

- Poor integration with City Dock and the greater downtown area.
- Market House is a “hermetically sealed box”, not open and inviting.
- The Market House and Plaza have been strangled by the car, its parking and the high speed intersection.
- Interior layout of the building is not appealing and does not use the most important perimeter spaces.
- Lack of air conditioning and crippling restrictions on merchandising and use.
