**Do Not Call Release Form**

*This form must be signed and dated below and sent to the address or email above.*

I am aware that the City of Annapolis has subscribed to a community notification system known as CodeRED. The City of Annapolis may use the notification system to communicate with the public in cases where prompt notice to protect life, health or property is advantageous.

I acknowledge that providing the notification system known as CodeRED by the City of Annapolis is a “governmental function.”

As such, the City of Annapolis, its officers, agents and employees enjoy immunity when providing the CodeRED community notification system services.

I choose to be placed on the DO NOT CALL list for CodeRED alerts issued by the City of Annapolis. I understand that being on the DO NOT CALL list means I will not receive emergency notifications from the City of Annapolis for impending storms, public safety emergencies, or for any other reason, including life safety notifications.

By signing this release, I waive all claims against the City of Annapolis and CodeRED, their officers, agents and employees in the event that members of my household or my property or I are adversely affected in the absence of timely notice of any event.
