Dear Colleagues:

This is to bring you up to date in reference to my annual Campaign Finance Report for Friends of Sam.

As you will remember, my home was flooded on May 13, 2008. Many records were either destroyed or packed into boxes and taken to one of several storages units in unmarked boxes. These records were packed and moved by South River Reclamation at the request of Nationwide Insurance while I was in Albuquerque, New Mexico, attending an environmental conference with city staff and another alderman.

As the move back into my condo has been prolonged, we eventually requested and purchased duplicate records from Bank of America for the Friends of Sam account. We received these duplicates of deposits and donor checks last week; however, some of the checks are missing. We are requesting those be faxed to my local bank branch tomorrow.

We are actively working on the July 1, 2008, campaign finance report. We hope to have this report to you within the next day or two.

We are, indeed, grateful for your patience and guidance.

Sincerely,

Samuel E. Shropshire  
Alderman / Ward 7
