## Halloween Safety Tips

Know the route your kids will be taking if you aren't going with them. Let them know that they

are to check in with you every hour, by phone or by stopping back at home. Make sure that they know not to deviate from the planned route so that you always know where they will be. Your best bet is to make sure that an adult is going with them. If you can't take them yourself, see if another parent or two can.
