Theft from Vehicle Prevention Information
In most cases of thefts from vehicles, thieves enter vehicles through unlocked doors, so securing your vehicle is an important way to prevent thefts. Make a habit of locking your vehicle all the time. Another important thing to do is remove valuables from your vehicle. Most of these thieves walk down the road, or through parking lots, and look to see if there is property in a vehicle and if the doors are unlocked. If your vehicle is empty and the doors are locked, thieves may move on to the next vehicle. Thieves look for phones, tablets/laptops, GPS units, purses, wallets, or other items such as prescription medication, so secure your valuables. Also, please call us if you see suspicious activity in your neighborhood. If you see someone walking through your neighborhood in the middle of the night, they might be up to no good, and we need to come and check it out. Don't wait until the morning to call us because if you do, they will be long gone. Please talk to your neighbors about this topic so they can join us in preventing these crimes. Report suspicious activity immediately by calling 410-268-4141 or 9-1-1 in an emergency.
