**Good News** – Our officers gave free breath tests to 93 pedestrians downtown last night during the kick off of Know Your Limit. Volunteer participants were asked if they felt safe to drive a car, then blew into a portable breathalyzer. Officers told them what their BAC was and gave them an educational card with information on alcohol consumption and options to get home safely. We also had extra officers working impaired driving enforcement. We arrested one driver for impaired driving yesterday at 5pm after a citizen reported a possible impaired driver entering the city from Route 50. There were no other impaired driving arrests or crashes yesterday.
