Crime Alert – Burglaries and Thefts from Vehicles

Some neighborhoods in Annapolis have recently seen an increase in burglaries and thefts from vehicles. Neighborhoods with recent burglaries include Ambridge, Hunt Meadow, Timber Creek, August Woods, and Mariners Point. Many of the burglaries have involved forced entry to a locked door or window in the rear of the home. Many of these homes back to dark or wooded areas. Most of the thefts from vehicles have been from unlocked vehicles. Burglaries and thefts from vehicles remain below the level we saw in Annapolis last year. Please read the tips below to help us combat this increase.

We have plainclothes and uniformed officers in the areas most affected by the increases.

What to do before the burglar comes!

Not *if* he comes but *when* he comes. Because, he is coming. Down your street. And looking for easy targets. He’s looking for easy targets because he’s not a professional! He’s an amateur. And so he *must* find easy targets! And he does.

- Make your home look (and sound) occupied
- Never leave garage doors open-especially with no car in sight
- Be a good neighbor-keep an eye on your neighbor's homes, get them to do the same for you
- Install good locks...and LOCK them!
- Secure your windows
- Turn on exterior lights or install motion activated lights
- Be aware when you are leaving your home, is anyone watching you?
- Change your locks at the drop of a threat!
- Don't open your door to anyone with no business inside
- Don't advertise your vacation plans!
- Tell the police you'll be away for an extended time, call 410-268-4141 and ask for a frequent check
- Join Operation Identification-Operation ID has effectively reduced burglary wherever it has been properly implemented*
- Have a security survey done at your home to help prevent ways of becoming a victim of a burglary*

*For more information on Operation ID or having a security survey conducted, please contact Corporal Amy Miguez at 410-268-9000 x 7261 or amiguez@annapolis.gov.

Report Suspicious Activity: We encourage citizens to call the police if you see suspicious activity in your neighborhood. Suspicious activity is activity that is unusual for your community, the time of day, or season. If you see someone walking through your neighborhood in the middle of the night, they might be up to no good, and we need to come out right away. Don't wait until the morning to call us because if you do, they will be long gone. Please talk to your neighbors about this topic so they can join us in preventing these crimes.

Report suspicious activity immediately by calling 9-1-1

No Shave November

Annapolis officers are retiring their razors during the month of November to support those touched by cancer. Chief Michael Pristoop has authorized officers and employees to let their hair grow in a way not normally permitted by our regulations. Participants donated at least \$25 to METAvivor, an Annapolis based charity that is dedicated to the specific fight of women and men living with stage 4 metastatic breast cancer. Employees not growing beards and the public are also encouraged to donate money to this important cause. Anyone wishing to make a donation can do so directly to METAvivor through this link
