

# Daily Report 05/01/14

**In the last 24 hours Annapolis Police officers responded to 66 calls for service and arrested 9 people.**

## **Flooding**

This morning Compromise St, Newman St, and Dock St are closed due to flooding. Duke of Gloucester St may also be closed should the water continue to rise at the intersection with Compromise St. Should Duke of Gloucester St be closed no traffic will be flowing across the Eastport Bridge. The water is expected to recede once High Tide has lowered, but the heavy rain may cause the roads to be closed longer than expected. High Tide is at 7:34 this morning. Please check for updates throughout the day at [www.annapolis.gov](http://www.annapolis.gov) and on our Facebook and Twitter accounts. Do not use the Eastport Bridge to enter downtown. Motorists should not go through downtown to reach a further destination. Motorists driving into downtown can use West St, Rowe Blvd, and King George St. Expect heavier traffic and delays in the area due to these closures.

There are no preventable Part One offenses to report this morning. Part One offenses are those incidents we report to the MD State Police and the F.B.I. These incidents include homicides, robberies, burglaries, rapes, serious assaults, and thefts.

## **Bicycle Theft Prevention**

With the weather getting warmer, bicycle theft is on the rise. We had six reported bicycle thefts in April. To avoid becoming a victim of bike theft, every cyclist should have a sturdy bicycle lock as standard equipment, and choose lit, well-frequented places to leave your bike. Protect it every time and everywhere. Not only lock your bicycle, but lock it to something at least as secure as the lock itself.
