

# GreenScape 2019

*Celebrating 28 years of City beautification!*

## **What is GreenScape?**

GreenScape is a City and community partnership investment of beautification, clean-up, and planting in public spaces through the City. For 28 years, hundreds of projects have been initiated and adopted by individuals, community groups and neighborhood associations.

## **When is GreenScape 2019?**

GreenScape planting occurs annually in April. The projects are year-round commitments for care, watering, and weeding. This year's planting will take place on Saturday, April 27, 2019.

## **How do I get involved?**

1.) Attend one of the organizational meetings. These meetings will assist you with ideas and lead you to other community resources. 2.) Select a neighborhood or community project site. The site must be located on public property. Projects can include creating a new garden area or sprucing up an old one, litter and trash pick-up, or planting trees. If you're unable to find a project site, the City will be able to recommend areas. 3.) Complete and turn in material order form on or before March 6. 4.) Recruit volunteers to assist with material pick-up, site preparation, planting, year-round watering and weeding. 5.) Enjoy the benefits of working together to create a more beautiful community.

## **When are the Organizational Meetings?**

Organizational meetings are held at the "Pip" Moyer Recreation Center (PMRC) located at 273 Hilltop Lane in Annapolis. The first meeting will be held February 6 at 6 p.m. and the second meeting\* will be held on March 6 at 6 p.m. (\*Plant Material Orders due).

## **What if I need assistance in designing a garden?**

Landscape architects, designers, and master gardeners have volunteered their time to assist in designing and selecting appropriate plant materials for projects that need assistance. Please attend one of the organizational meetings or contact [Marisa Wittlinger](mailto:Marisa.Wittlinger@annapolis.gov) for more information.

## **How do I order plant material?**

Plant material and tree order forms are available at the organizational meetings or can be picked up at PMRC. The order forms are also available at [www.annapolis.gov/GreenScape](http://www.annapolis.gov/GreenScape) starting February 6. Deadline to order material is March 6. Return the completed form to [mdwittlinger@annapolis.gov](mailto:mdwittlinger@annapolis.gov).

## **When/Where do I pick-up plant materials?**

Plant materials will be available for pick up at the Truxtun Park Pool (Pumphouse Road, Annapolis) on Friday, April 26, 2019 from 1 to 4 p.m.

## **Who do I contact with other questions?**
