Memo

Friday, March 13, 2020

Re: Coronavirus (COVID-19)

On Friday, March 13, 2020 at 12 noon, **Mayor Gavin Buckley stated that the “Pip” Moyer Recreation Center and Stanton Community Center are both closed to the public effective 6 pm on Friday, March 13, 2020.** (To note, this is an update from what was previously stated.)

If you have questions concerning the following:

- **Memberships** – PMRC memberships will be extended the amount of time the facility is closed.
 - If closed for two weeks, memberships will be extended for two weeks.
- **Programs** – Current programs will be extended for the time that they are not held. Refunds will be issued should an updated schedule not comply with the customer.
- **Rentals** – Rentals can be assigned to new dates once the facility re-opens. If scheduling does not permit, refunds will be issued.
- **Child Care** – Anne Arundel County Public Schools are closed March 16-27, 2020, therefore before and after school child care is not operating during this time.
 - Child Care fees will be prorated.
- **Athletic Fields** – All permitted activities on City fields are suspended until further notice.

Thank you for your patience during this time. Please refer to the [City of Annapolis website](#) or the [Annapolis Recreation and Parks homepage](#) for the most up-to-date information.
