Friends of Kenny Kirby

- Item #1 The period of the report is not correct. The report is to contain information through July 1, 2012. The report period submitted is only through June 24, 2012. Based on the minimal level of activity included in the report it is unlikely there were any transactions between June 25 and June 30 that went unreported.
- Item #2 The report was not filed timely. It was received on September 27, 2012 and was due on July 1, 2012.

From our examination of the Campaign Fund Reports, we did not note any other matters of noncompliance with city law or matters we believe warrant further investigation or require additional documentation from candidates.

We were not engaged to, and did not, conduct an audit or review the objectives of which would be the expression of an opinion or limited assurance on the Campaign Fund Reports compliance with City regulations. Accordingly, we do not express such an opinion or limited assurance. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the City of Annapolis and is not intended to be and should not be used by anyone other than these specified parties.
