Re: Coronavirus (COVID-19) & ARPD Child Care

On Friday, April 17, 2020, State Superintendent Karen Salmon announced that the shutdown for all public schools in Maryland is extended through Friday, May 15, 2020.

Therefore, we want to keep you posted on what this means for our Child Care Program:

- **May Payments** – All May payments have been canceled, including automatic payments. There are no other fees due for the 2019-2020 school year at this time.
- **Refunds** – All refunds for March and April have been processed. Please expect your check in the mail within 2-3 weeks.
- **Registration for Fall 2020** – We have postponed the Fall 2020 registration start dates. The new dates to register are as follows:
 - Monday, June 8 – for returning families
 - Monday, June 15 – for new families

Thank you for your patience during this time. Please refer to the [City of Annapolis website](#) or the [Annapolis Recreation and Parks homepage](#) for the most up-to-date information.

Sincerely,
