It does not mean that the unit has been constructed, will be constructed, or is occupied. If your local definition of building permit varies, please indicate the definition used to tabulate new residential building permits. Reconstruction or replacement permits should be included as new residential permits. Additionally, tracking the amount of reconstruction, replacement or demolition of residential units in Table 2A may be beneficial when conducting the Development Capacity Analysis in Section VIII.)

(B) In the **PFA** column in *Table 1*, enter the total number of permits issued inside the Priority Funding Area (PFA). Enter 0 if no new residential building permits issued inside the PFA in 2014.
